### Wichita Regional Chamber PAC Endorses Brandon Johnson and Cindy Claycomb for Reelection to Wichita City Council

**Wichita, KS** - The Wichita Regional Chamber Political Action Committee (WRC PAC) voted to endorse Brandon Johnson (District I) and Cindy Claycomb (District VI) for reelection as Wichita City Council Members. The general election takes place on November 2, 2021.

Chamber PAC Chairman Jason Cox (President of Cox Machine, Inc.) said, "The Wichita business community is directly impacted by policies made at the local level, so it is important to elect candidates who govern with growth in mind. That is why the Wichita Regional Chamber PAC is pleased to endorse Brandon Johnson and Cindy Claycomb for reelection to represent their respective Wichita City Council districts.

"More than 85% of the Wichita Chamber's members are small businesses with fewer than 100 employees. Vice Mayor Johnson and Council Member Claycomb are both native Wichitans who have governed with these job creators and entrepreneurs in mind. They have also led efforts to attract and retain talent and enhance quality of place in Wichita. We believe reelecting Brandon Johnson for District I and Cindy Claycomb for District VI will ensure positive momentum for our community and help drive prosperity for our region."

In response to the endorsement, Council Member Claycomb stated, "I'm honored by the Wichita Regional Chamber PAC's endorsement. The Chamber's support for small businesses and entrepreneurs is critical. The success of small businesses and entrepreneurs is important to the growth of our city. They provide jobs for our residents and services that add to our quality of life."

Vice Mayor Johnson stated, "I am appreciative of the Wichita Regional Chamber PAC's endorsement of our campaign and track record of working to advance opportunity to all of our citizens working to build their American dream right here in our great city. I look forward to working with them to continue moving our city forward."
